SHRI INDER KUMAR GUJRAL: I have nothing to say about what the Leader of the House has said because this is not a matter of the ruling party or the Opposition. It is a matter of collectively safeguarding the sovereignty and the rights of Parliament and of this House in particular. We are the Council of States. So, particularly those issues, which pertain to the States, are of the utmost importance to us. I hope, my hon. friend, the Leader of the House, will kindly pay attention to this. I have sympathy for him because the reply that he has given, is a bureaucratic type of reply that has come from the people down below and he has passed it on to us. Fine, we do not buy it. I would suggest two things. Number one is that the Committee should look into every issue. Secondly, in future, we should lay guidelines that for any delay, say, beyond two months or three months or whatever it is, there should be an explanation, and the Committee of the House must scrutinise their explanation. (*Interruptions*)

THE DEPUTY CHAIRMAN: Gujral Saheb, there is a Committee of the Papers Laid on the Table which was headed by Mr. Sukomal Sen, who has retired. A new Committee has to be appointed and I will give direction to the new Committee to look into the matter and inquire from the various Ministries why there has been a delay and report back to the House.

SHRI DIGVIJAY SINGH (Bihar): Madam, the suggestion given by Gujaral Saheb about the time frame was a good suggestion.

THE DEPUTY CHAIRMAN: That is what I said. There should be a time-bound programme and they should report to us in the next Session. (*Interruptions*)

SHRI S. B. CHAVAN: Madam, so far as the Government is concerned, I will personally write to all the administrative Ministries to see that every care is being taken so that there is no delay and there is no scope for any complaint of this nature.
